Emirates — Baggage Services in Dubai

Document Type: Baggage Services
Source: User-provided Emirates webpage content
Purpose: Structured document for an Emirates RAG chatbot dataset

1. Overview

Emirates offers baggage services in Dubai to help passengers manage their luggage before departure and after arrival.

Available services include:

- Home Check-in and Land & Leave
- Concierge Service
- Baggage Wrapping
- Luggage Storage
- Odd-Shaped Luggage Assistance

2. Home Check-in and Land & Leave

Emirates offers Home Check-in and Land & Leave services for passengers travelling with Emirates at exclusive rates.

2.1 Home Check-in

Home Check-in allows check-in agents to visit the passenger at their location.

The agents can:

- Weigh and tag baggage.
- Print the boarding pass.
- Deliver the bags to the flight.

Passengers can add services such as airport fast-track or upgrade to a full meet-and-greet service.

Complimentary Home Check-in for First Class passengers:

- Home Check-in is complimentary for passengers travelling in First Class with full-fare First Class tickets.

- Passengers who purchased tickets using Skywards Miles or upgraded their tickets using cash or miles must book the paid Home Check-in service.

2.2 Land & Leave

Land & Leave allows a porter to collect passengers' bags on arrival in Dubai and deliver them to their address.

Passengers can leave the aircraft, pass through immigration and travel directly home or to their hotel without carrying their bags.

Booking: Book Home Check-in and Land & Leave

3. Concierge Service

Emirates provides baggage porters at Departures and Arrivals.

Porters can:

- Take bags to the check-in area.
- Collect luggage from the baggage belt.
- Transport luggage to the passenger's onward transport.

Locations

- Departures: Entrance to Emirates Terminal 3 Departures.
- Arrivals: After Passport Control at Arrivals.

Charges

Trolley type	Charge
Regular trolley	AED 40
Flat-bed trolley	AED 100

4. Baggage Wrapping

Baggage wrapping helps keep bags secure and protected during travel. Bags are wrapped in strong, transparent plastic.

Location

Baggage wrapping machines are located just before check-in at Departures in Emirates Terminal 3.

Charges

Bag type	Charge
Standard-size bag	AED 40 per bag
Oversize bag	AED 80 per bag

5. Luggage Storage

Passengers who have time before their next flight can store their bags at the airport and explore the city without carrying their luggage.

Luggage storage may be useful when:

- A passenger must check out of a hotel well before the flight.
- A passenger has a short stopover in Dubai.

Location

Left luggage storage is located at Arrivals in Emirates Terminal 3.

Charges for Storage up to 12 Hours

Bag type	Charge

Standard bag, maximum dimensions 21 × 24 × 11 inches	AED 35
Large bag, larger than 21 × 24 × 11 inches	AED 40
Valuables	AED 40

Storage duration: The listed charges apply for up to 12 hours.

For information about a Dubai stopover, see Dubai Stopover.

6. Odd-Shaped Luggage

Passengers travelling with unusually shaped baggage may need to take additional steps before checking it in.

Some types of baggage may not travel easily on a conveyor belt, including:

- Round or irregularly shaped parcels.
- Bags with loose straps.
- Bags with handles that cannot be removed or secured.
- Bags without a flat surface.

6.1 Packing Requirements

Passengers with such baggage should repack it in a cardboard box.

Cardboard boxes are available at baggage-wrapping kiosks just before check-in. Travel bags may also be purchased from airport duty-free shops.

Alternatively, bulky items can be sent through Emirates SkyCargo services.

For information about oversized baggage, including sports equipment and mobility aids, see Unusual Baggage and Special Allowances.
